

That night Satan came to him

Jesus loves babies they are precious in His sight
A crabbing man on Cambridge creek
Said he would trust his baby with Satan and his dark angels
Before he would trust the church of god crying dancing Preacher

Jesus loves babies they are precious in His sight

That night Satan came to him
And said being Link with Cambridge Church of god preachers
Was highly offensive to the him and his dark angels,

Jesus loves babies they are precious in His sight
